

REMARKS

This Amendment is responsive to the Office Action dated March 28, 2008.

Claim 13 has been amended to delete reference to physical interaction.

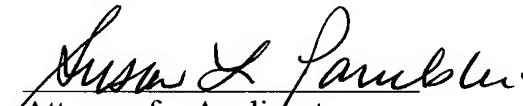

The Examiner required an election between chemical and physical interaction which had been recited alternatively in Claim 13 as presented in the Amendment filed September 17, 2007. In view of Claim 13 as now amended, this ground for election has been removed. Applicants affirm their prior election of Invention II embodied in claims 13-19, 22, 28, 29, and 34.

Accordingly, claims 13-19, 22, 28, 29, and 34 are pending in the application and presented for reconsideration and allowance. Claims 1-12, 20, 21, and 30-33 are withdrawn.

For the reasons set forth above, it is believed that the application is in condition for allowance. Accordingly, reconsideration and favorable action are respectfully solicited.

Should the Examiner consider that additional amendments are necessary to place the application in condition for allowance, the favor is requested of a telephone call to the undersigned counsel for the purpose of discussing such amendments.

Respectfully submitted,
